Fear Me!

**

I am the Prince of the Saiyans.
> Those who oppose me perish.
 All except for Kakarott.
> He became a Super Saiyan.
 If he can do it,
> then so can I.
 Even if I have to train forever.
> It is coming closer with each punch,
 each kick and each pushup.

> Power is rushing through my veins.
 It's burning within me.
> The ability to become a Super Saiyan.
 Golden light burns.
> Ki flows through me.
 Oh, the glow!
> Yes!
 I feel it!
> At last, it is mine!
 I knew I could.
> I knew I would.
 And now every one of my foes
> will tremble in fear!
 Get ready Kakarott.
> Get ready for Super Saiyan Vegeta!<p>
